XII	Science	Mahila Mahavidyalaya, Amravati	Maharashtra State Board	2018	80.92 %	I
X	General	Yavatmal Public School	CBSE	2016	84.2 %	I

## Academic Projects

Title : BookNest: E-Book Management System

Platform : J2EE (SpringBoot), React js, MySQL

Duration : 1 Month

Description : BookNest, a comprehensive Ebook Management System, stands out by offering administrators the capability to effortlessly add and manage books, genres, and subscription plans. Users, in turn, can subscribe to tailored plans, granting them access to a multitude of books. The platform's integration of a PDF reader within the React frontend elevates the reading experience, allowing users to seamlessly engage with their selected Ebooks directly on the platform. With BookNest, we aim to redefine digital reading, providing both administrators and users with a feature-rich and convenient environment for managing and enjoying Ebooks.

Title : DESIGN OF SEWER SYSTEM FOR SARWADI VILLAGE USING SEWERGEMS

Platform : SEWERGEMS

Duration : 12 Months

Description : SewerGEMS streamlines sewer network design, catering to various parameters like slope, velocity, and costing, reducing time and effort. This project showcases the efficient modeling, analysis, and design of Saramwadi Village's sewage network SewerGEMS. The software's user-friendly interface, integrated hydraulic tools, and compatibility with AutoCAD, MicroStation, and ArcGIS expedite design processes by providing crucial parameters such as invert levels.

## Other Information
